

2015 Middle School Urban Camp Recount – Cooper W

WOW! Excited and nervous at the same time for my first school camp. I rocked up at school at 8:20 feeling nervous and jolly. Then 3/4 got invited into the gym. I found out I was in Bus 3. When we were in the bus, I sat next to Kyle. We talked about all kinds of stuff. We arrived at the MCG. When we first walked we met our tour guide (don't know the name). He led us to the Ground, then told us he was a TIGERS SUPPORTER. POOR GUY ☹️ He led us to the Tigers change rooms. It was amazing. Well, Geelong's is WAY better. We saw a rat run across the room. We went to the lockers. He told us to sit in front of your favourite player's number. I went straight to 14 for Selwood. Next we went to the seats where O'Donnell hit a six. WOW!

Next we went to the Sports Museum. Firstly we went to the games. I RAN to Shane Warne. I got him out HOWZATTT! Next, I went to my favourite activity, the footy goal kicking. I scored a goal – yay! Next we went to the Immigration Museum. When we arrived, I knew straight away it was old. We were taken into a room. Our guide talked about a girl called Cook Lam. She moved to Australia because of war. I can't remember what country she came from.

After that it was over. We went to our rooms (Melbourne Discovery Centre). I had in my room, myself, Fisher, Darc, Ethan, Pat, Flynn, Alec, Brock, Kyle, Max B, Charlie, Denver and Lucas WOW! That's 13 boys including me. That's a lot of trouble at night. When it came to dinner, I was excited. It was nice. I'm rating 8/10 and dessert was 10/10. After dessert, Bus 2 left to go to the Eureka Skydeck. Then not long after Bus 1 left, Bus 2 left, about 10 minutes after Bus 1. So Bus 3 watched Night at the Museum 2. My rating is 6/10. After about half an hour, Bus 3 left to go to the Eureka Skydeck. I was nervous and excited at the same time. When we got up there, the view was 100/100. It was amazing. It was one of the best things in my whole entire life. The view was great, you could see MCG, AAMI Park and tall buildings. So when it was time to leave, I walked to the elevator and accidentally did a photo bomb. It was on Mrs Wright's phone! Oops!

When we got back to the Discovery Centre, Bus 3 had supper. I chose to have a cold Milo and a choc chip biscuit, YUM! After we were done, we had to go to bed. So I got ready for bed. In the morning we had breakfast, then went up to the roof and played a game of Hunger Games. There were 8 people left and I was one of them ☺️. But 30 seconds later, I got out ☹️.

Bus 3 went to the Polly Woodside. That was GREAT. I learnt a lot. Next we went to Cook's Cottage. I learnt it was not his cottage, it was his parents. I did not know that. I didn't like how they blocked off the rooms.

Next we went to the Chinese Museum. It STUNK, really badly. On the way up the stairs, it was a great workout. Ha. It was amazing about the golden nugget. What I did not like is that the tour guide was in a BIG rush. After the tour, we went back to the Discovery Centre and got changed into our bathers for MSAC. We went downstairs and had dinner and dessert. My rating for dinner was 9/10 and dessert 7/10. After that we went to MSAC. It was great. My favourite activity was the obstacle course. I finished it in 9 seconds. Holy Mother of God, I did not know I could finish that fast! ☺️ When we got changed into our normal clothes, I was the first one done. When we got back we went to bed. Boohoo. In the morning we got woken up at 6:30. We had to pack our bags because we were leaving. At 7:15 we got called down to breakfast. I had Nutri-grain. My rating was

10/10. It was great! After breakfast we went to our room again. We brought our bags. When we were on the bus, it took about 10 minutes to get there.

When we arrived, the line was massive to get on the boat. When I was on the boat, I thought to myself HAHAHAAAAAAAA because he said 'my name is Jeff' 😊, funniest thing of the day /100. I noticed he talked a lot. After the 'boring' 2 hours, we went to the Shrine of Remembrance. That was great. We got split into 2 different groups. When we started we went to the theatre and watched a clip. The clip went for 8 minutes. I liked it. After that we walked around. It was ok, 6/10. We had lunch. My rating was 4/10. On the way back to school, I said, I RATE THIS CAMP 10/10. It was amazing!
