Welcome Back
After a very busy term two, we hope everyone enjoyed their break! The holidays could not have come at a better time, as many of us struggled with colds and winter ailments. I hope everyone took time out for some R&R and has recovered, ready to embrace all that Term 3 has in store!

We Hear Wedding Bells!
We are very pleased to announce the engagement of our much loved Emma Hand to her lucky partner, Jason Barker. Congratulations to you both on taking this exciting step together, we hope that this is just the start of a long and wonderful journey together.

A special message from our School Council President - Shane Kelly
The Lysterfield BBQ Party had a brilliant day on Election Day. At times the BBQ was rushed all at once by hungry voters and they demolished what was on the BBQ, great, but then we needed to replenish, but the community was understanding and happy to wait. The egg and bacon rolls were a hit, again and we needed to replenish both of these.

We took $2014 wow, that’s a lot of sausages and egg and bacon rolls, once we deduct costs we end up clearing about $1,814.

This has only been made possible by the generous support from the Lysterfield Primary School Community, a BIG thank you goes out to:

- Michelle Clarke
- Anita Hancock
- Annette Reitman
- Kylie Wyborn
- Stuart Whetstone
- Ilga and Samantha Kelly
- Matt and Tam Rowan
- Howard, Christie and Cooper Fisher
- Neil and Jemma Sargent
- Tanya and Ben Carroll

Thank you all, for without your support, these fundraiser events cannot happen and much needed funds are never realised.

Shane

Market Day Success and Appreciation
Market Day came as a result of the Senior Schools first semester Inquiry unit, beginning with a ‘Needs vs Wants’ focus, before transitioning into ways successful charitable businesses can help those in need. There was a collective decision by our Senior Schools students to support a charity called ‘One Girl’ with the funds raised at this event. One Girls mission is to educate 1 million girls across Africa by 2020. They believe every girl on the planet deserves the opportunity to go to school no matter where she is born, what her family earns, what religion she adheres to or what her culture says.

It is with much pleasure that I pass on 2 emails we received from the One Girl Charity over the holidays, which recognise the enormous efforts and contribution made by our LPS Senior School champions! Congratulations!

My name is Katy and I'm the Relationships Manager at One Girl. I received a notification that tells me that you've donated $2961.80 to One Girl to support the education of girls in Sierra Leone and Uganda. I rubbed my eyes and double-checked our database, which has confirmed that it's true. Needless to say, we are absolutely blown away by your generosity.

Did you know that your donation can put ten (yes TEN!) girls through school for an entire year and also equip them with everything they need to attend school and do their homework? That means that, thanks to your donation, ten girls can head off to

school wearing their school uniform and school shoes, with a bag on their back packed with exercise books, textbooks, stationery - and even sanitary pads, so they have a way to manage their period each month without having to miss class.

You have done a wonderful thing, and we're incredibly lucky to count you as part of the One Girl tribe.

Do you mind me asking what prompted this donation to One Girl? I'm keen to receive feedback to ensure we continue improving. And if you ever want to know anything about One Girl, please let me know. I'd love to hear from you.

Thanks again. We think you're simply wonderful.

To Lysterfield Primary School,

It was so fantastic to hear how One Girl was selected as the recipients of the money raised through your Market Day. What an amazing bunch of students you have.

We've recorded a little video to say thank you to the school community of Lysterfield Primary, which you can find here:

https://www.youtube.com/watch?v=njDvrUJmKS4

Once again, thank you so much. Not just for your donation, but for educating your school community on what can be achieved when all girls receive access to education.

We think you're fantastic. If there's anything you'd like to know from us, or anyway you'd like to be involved with One Girl in the future, please let me know. We are so inspired by what you've achieved and would love this to be the start of an ongoing friendship :)

Kind regards
Katy

Enjoy your week everyone
