Lysterfield Primary School

Transition Program
2018

Inquire...Challenge...Engage

Welcome

At Lysterfield Primary School, our committed and passionate staff work hard to develop and support every child in their academic, social and emotional development. We are committed to improving student outcomes through working in cohesive and collaborative level teams and ensuring our students are fully engaged with their learning.

We provide a positive and safe learning environment that caters for a variety of learning styles. Our objective is to develop confident, well adjusted, resilient, life long learners capable of being responsible for their own opinions and actions whilst being positive contributors to the global society and a sustainable environment.
