Homepage Permission Slip

The school's website is our electronic connection to the world over the Internet. The site will have useful information such as newsletters, permission forms, school information, etc. for parents and students. The site will also have samples of student's written work, projects and photos etc. This information will be updated regularly in order to keep the site current.

There may be occasions when we would like to use a photo of your child on our internet website or on the school intranet (local network). Before this can happen, we need your written permission. No surnames will be used to identify your child.

This form remains valid whilst your child attends Lysterfield Primary School. If you wish to amend this at any time, please inform the office in writing.

If you do not wish to grant the school permission in this matter, please indicate below and return the form to the school.
