Mission Statement

Lysterfield Primary School will provide a positive and safe learning environment that caters for a variety of learning styles. Our objective is to develop confident, well adjusted, resilient, life long learners capable of being responsible for their own opinions and actions, whilst being positive contributors to the global society and a sustainable environment.
ASSISTANT PRINCIPAL’S REPORT

Market Day
As part of the Senior School’s Inquiry Learning this year, students have worked together in groups to design a small business. Students have written a financial and business plan accounting for overhead costs, advertising and organisation. The creation of these small businesses will culminate in an amazing “Market Day” where the Senior School will open 38 stalls to the school community on Friday 10th June between recess and lunch. The student body from Foundation to Grade 4 will be the lucky customers and consumers, and all profits raised will be donated to the One Girl Foundation - a charity chosen by the Senior School students. Your support in this charitable fundraising endeavour would be greatly appreciated, so please send along some money with your child on the 10th June to allow them to participate in the day.

District Cross Country
Congratulations to all students who participated in cross country on Friday, you all did a super job and helped our school secure a 4th place overall. Special congratulations Maddi T, Caleb W, Luke G, Emma D, Paityn H and Sarah S who have qualified for Division Cross Country on 3rd June. Thank you to Mrs Harvey who worked at the track all day and to Sheridan Chambers for assisting Mrs Chamberlain and Mr Mac with student supervision.

Dance Fair
We would like to wish the children who are attending Friday night’s Dance Fair, at Fairhills High School, all the best and we look forward to hearing about the night and their performances. It’s the Grade 5’s turn this week with some Grade 6 students returning to dance in the troupe. A big thank you to Julie Baltas, Michelle Sayers, Kristine Roose and Sophie Chamberlain who have given freely of their time spending many hours supervising the girl’s rehearsal.
Volleyroos
As some of you are aware, our very talented Miss Sloane is on leave at the moment captaining the Australian Women’s Volleyball team (Volleyroos) in their 2016 Grand Prix tour in Australia & Colombia. We are lucky that the Volleyroos are playing some warm up matches against Croatia at Dandenong Stadium this Friday 27th and Saturday 28th May (7:30pm) ahead of their first matches in Bendigo. This is a fantastic opportunity to see Shae in her role as captain playing such an exciting sport at an elite level. Tickets for these matches are available at the door or online at the Volleyroos website.

We are delighted to welcome Mrs Kelly-Anne Linke to 1S to replace Miss Sloane.

Winter Round Robin
Day one of Winter Round Robin competitions will take place on Tuesday 31st May at various venues across Knox. We wish the Grades 5 and 6 students our best for a fun and successful day of sport competing against teams from local schools in Football (Kings Park), Netball (Kent Park Primary), T-Ball (Kings Park), Voleystars (St Jude’s Primary) and Soccer (which is now being played at Milperra Reserve).

5c Challenge
The 5c Challenge, currently being run by our Student Representative Council, is finishing this Friday. You still have time to do one last search for loose 5c coins at home. Don’t forget to check down the back of the sofa, behind the cushions and any other nooks and crannies that you think you might find a lurking 5c coin. Every 5c counts and goes to YGAP who do great work in helping to create a world where every child has access to education.

Curriculum Day
A reminder that this Friday is a student-free day. Please remember not to send your children to school!

Have a great week.

ARTROOM

The Grade 2s recently completed illustrations for the much anticipated *Lysterfield Marine Biology Field Guide and Reference Book*. Each student used a ‘marbling’ technique to paint some fancy water-colour artist’s paper before using reference images to draw and label creatures and plants that live in and around the sea.

The finished product is now on display just outside the library. Please come in to admire and enjoy the wonders within our book but please do not remove.
