Three Way Conferences
We had very positive feedback to the Three Way Conferences held over Monday and Tuesday evening. We met with almost all parents and students and discussed the new report format, learning goals and how well students are achieving at this time of the year.

We have had a couple of hiccups with the new reports, which will be completely ironed out for the end of year reports.

Rachel Gathercole Returns
Rachel returns from Maternity leave from Monday 13 July. Rachel will be taking small groups of students across the Foundation and Year One level for intervention with reading and writing. Rachel is a highly experienced junior schoolteacher who is very excited to return to teaching after a six-month break. Rachel will send letters home to parents of children who will be part of the intervention program to keep everyone informed and up to date with what is happening at school.

We hope families of selected students will work in partnership with us to support all these students and ensure all students have the best start to school they can get.

Holidays
We hope you all have a restful and well-deserved break for the winter holidays. Many students are very tired and looking forward to a couple of weeks away from school to recuperate.

Term Three Extravaganza
At the end of next term we are presenting our biennial Extravaganza! Each class will present a song and dance that will be showcased in the last week of the term. This performance will be for parents, friends and families to see their children have a chance to perform with their friends and classmates.

More information will be provided throughout next term...keep the last Tuesday of next term free to celebrate with us at school.

BIG FREEZE AT LYSTERFIELD POSTPONED
Due to the late notice, your SRC has decided to postpone the Big Freeze. It will not be held this Friday. Instead, it will be held next term. As soon as we have confirmed a date, we will let you know. We will still raise money for the Cure for MND Foundation, and we will still have teachers complete the ice bucket challenge.

CANTEEN—TERM 3

Just a reminder to any parents that can spare an hour or two on Fridays to help in the canteen, we’d love to see you.

Please email the school, pop into the canteen and say hello or fill in the form below and return to the office.

Have a fantastic holiday.

SUSTAINABILITY

On Wednesday the 3rd of June a group of Senior students walked to Rebekah’s house where she has a beautiful garden. We dug up some strawberry plants to plant in our kitchen garden and found some interesting bugs. We fed the bugs to the chickens and had a good time learning about plants. We got some little seedlings and looked at the compost to see what our compost needs to like. Over all Mrs Loveless, Jack, Hayden, Keeley, Helena, Claire and Charlie had a good time. We would also like to thank Terri for coming along. We had an awesome time digging strawberries and feeding chickens. Now we will plant the strawberries and hopefully be able to teach the little ones.

THEY’RE CALLING ON YOU

As part of their action for their Inquiry this term, the Foundation students have been collecting mobile phones to help save wild gorillas. Thank you to all those people who sent in phones. We collected 79 phones which are now parcelled up and waiting to be picked up. We will let you know how much we raised for the gorillas and we will be proud to display our certificate of appreciation from the Zoo.

Thank you again
