**ACTING PRINCIPAL’S REPORT**

Term 3 is really flying and it is hard to believe there is only one week remaining before the holidays.

**The Search for Yoda**

Lysterfield P.S.’s music program is second to none thanks to the hard work of our amazing music teacher-Melinda. The benefit of a music education has been proven over many years of educational research. Our students experience this every day as they are participate and engage in a wide range of music making activities. Learning music helps build student’s confidence, self-discipline and teamwork. Those of you lucky to score tickets for our Production, The Search for Yoda” will see an amazing showcase of musical skills next week.

To quote Yoda;

“Truly wonderful, the mind of a child is.”

**Junior School**

**Excursion to Healesville Sanctuary**

To celebrate the end of their Inquiry unit, “What makes our country unique?” students from the Junior school visited Healesville Sanctuary yesterday. The sun was shining brightly as students set off. They had an amazing day exploring the sanctuary seeking out Australian animals and getting to see them close up. Apparently the new koala enclosure was a highlight and the Birds of Prey were incredible.

**Senior School**

It’s proving to be once again a busy week in and around the Senior School.

**Lysterfield Football League Grand Final**

The competition has been fierce throughout term 3 amongst both students and staff. Today everyone couldn’t wait to see the battle between Magic and Blackbirds.

To celebrate the day all students were encouraged to wear the colours of the favourite AFL (or sports) team.

**Rugby League Football**

Around 40 students from the Senior School are looking forward to some great football tomorrow. I’m sure they will enjoy a great day of rugby and impress everyone with their sportsmanship and team work.
The Parliament of Victoria

Two lucky students went by train with Mrs Harvey to visit the Parliament of Victoria today. Despite an early start, I’m sure Miranda (SZ) and Jamieson (SM) will thoroughly enjoy the experience. It is a fantastic opportunity to learn more about how parliament works. We look forward to hearing all about the visit and what it felt like to actually sit in parliament.

Victorian School Cycling Championship (VSCC) Update

Lysterfield P.S. remains in second place with a score of 4180 points thanks to our amazing and very talented cycling team (Reilly, Holly, Angus, Milly, Stephanie and Sebastian). Finals are coming up fast. We wish everyone on the team good luck in Bendigo on Friday 14th October.

Finally a friendly reminder for parents/carers

Please note there will be no House Assembly next Monday

Term 3 finishes on Friday 16 September at 2.30pm. There will be an assembly at approx. 1:30 PM and the students will be dismissed following the assembly.

Have a great week,

Julie Morris
