Perceptual Motor Program Term 4

Dear Parents,

Our Term 4 Perceptual Motor Program (P.M.P.) will be up and running again on Thursday 13th October 2016.

The P.M.P. sessions involve physical activities which focus on many important areas of students’ development.

For the students to gain maximum benefit from the P.M.P. sessions they will be in small supervised groups. I would like to thank those parents who volunteered to assist during Terms 1, 2 & 3. Help is greatly appreciated, so if you would like to be involved and are able to assist, even if for only one session, please circle the dates and times in the table below and return the form to school by Thursday 15th September 2016. A roster will be out during the first week of term 4.

Thank you,

Jason Webb
Physical Education, PMP & School Sport Coordinator
