Dear Students and Parents,

A friendly reminder that our first Story Time session for our 2017 Foundation students is this Friday, 19th August 2.00-3.00pm. This session is optional, however we advise that all Transition activities are helpful in preparing your child for school.

Story Time sessions will begin in the Library at 2.00. Students will then say ‘goodbye’ to parents and move to the Foundation classrooms with teachers to complete a fun literacy activity. Students will return to the Library at 3.00 to be picked up by parents. This routine will continue for both Story Time sessions.

We are happy to be offering a ‘Meet and Greet’ in the staffroom, open to all parents of 2017 Foundation students. This session will run concurrently with the Story Time session and will be a great opportunity for you to get to know the parent community.

We hope to see lots of familiar faces over the coming weeks!

Kind regards,

Michelle Sayers
