Inclusion and diversity

Lysterfield Primary strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Lysterfield Primary is a welcoming community to all families and individuals. Lysterfield Primary traditional has a predominant English speaking community from a diverse socio-economic background, however over recent years have seen a shift in an increasing population of non-English speaking background, increasing the EAL student population. Lysterfield has a diverse cross section of family unit structures, religious backgrounds and gender identification. Lysterfield strives to promote a culture of acceptance and inclusion for all students and extends this ethos beyond the classroom into the staff and parent community. We strive to instil and visibly enact our school vales of respect, acceptance and integrity in our regular day to day interactions with the whole school community.

Lysterfield Primary is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Lysterfield Primary acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Lysterfield Primary we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Lysterfield Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, graduation, incursions and excursions) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices

- respond to complaints and allegations appropriately and ensure that students are not victimised.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Lysterfield School. We will take appropriate measures, consistent with our *Student Wellbeing and Engagement* and *Bullying* policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Lysterfield Primary also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities.
